## ACTIVE MOBILITY PLAN

Building a Safer, Connected, and Inclusive City

### Project Overview

The Elgin Active Mobility Plan will improve safety and enhance connectivity for people walking, biking and rolling throughout Elgin. This plan will advance the City's vision of a vibrant, healthy and sustainable community.

Six principles will guide the development of this plan:

**Connectivity**  
**Safety**  
**Sustainability**  
**Equity**  
**Collaboration**  
**Implementation Ready**
